

Issue 2:

Feb/March 2018

Kenton Chronicle

Dates for your Diary:

Year 9 Parents Evening—Thursday 1st March

Activities Night—Wednesday 7th March

Well done to Paige who qualified for the National Riding Schools Championship this year. She came second in her category of 13 - 17 year olds and is one of the younger riders to do so. She was training over half term and will be competing in Warwickshire on April 4th in the same category.

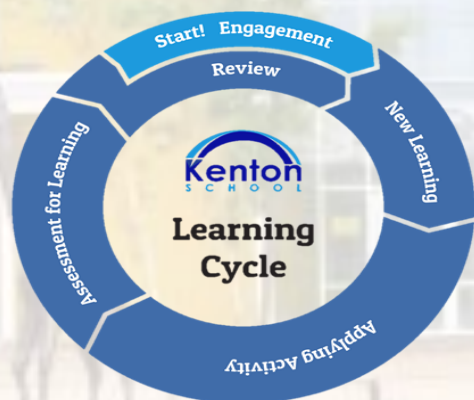

Half Term Attendance Winners

Year 7	Year 8	Year 9	Year 10	Year 11
SEF—96.7%	SE—95.5%	LL—95.7%	SH2—98.1%	JEV—97.2%

Revision & After School Clubs

Monday	Tuesday	Wednesday	Thursday	Friday

Football Year 7 - 10	MFL Club All Years	Judo All Years	Multi—Sports All Years	Football Year 11 & 6th Form
Judo All Years	Cycling Club All Years			

The Kenton Learning Cycle (KLC) is used in every lesson at Kenton. At the start of the lesson, there is an engagement activity to hook the students. They then learn something new before applying their new learning. Students will then be assessed on their new learning before a review takes place at the end of the lesson to consolidate their learning.

Remember to check planners for homework & to sign them!

Together we can make a difference.

Future Events

Our Y12 students are planning an **Easter Fayre** where you can sell your wares or simply come to peruse and buy from others. It will be on Saturday 24th March from 9.45 - 11.45, we would welcome any suggestions about stalls that may be of interest to you. The idea is to include food and some activity for younger children, such as face painting.

Activities Night

We will be hosting another event on 7th March where you can come along with your child and take part in an activity together. Sign up early to get your first choice.

'Bloom Army'

Our Y9 pupils are currently involved in a Community Arts Project, working alongside a Kenton Park Sports Centre artist, making and painting bird boxes to form part of a giant bird box installation. They will also get an opportunity to showcase their art work at the Alphabetti Theatre in Newcastle.

February Curriculum
